TO: Allied West Paper Corp. – Commercial Products Customers

Dear Valued Customer,

During this challenging year we appreciate working together and remain committed to you and your business requirements.

The industry has continued to face rising costs and due to continuing increases in fiber, packaging, transportation, labor and other inflationary costs, effective January 1, 2022, Allied West Paper will increase pricing on Commercial paper and dispenser products up to 7%. Some select products may increase more than 7%.

All orders received by the close of business on December 31, 2021, calling for immediate shipment will receive current pricing. Orders received after December 31, 2021 will be invoiced at the new levels.

New into stock prices and any contract adjustments that may be necessary will be distributed to you shortly. We will, of course, honor any contract prices for the duration of the original agreement.

If you have any questions, please contact your Sales Representative.

Thank you for your continued support of Allied West Paper Corporation. We sincerely appreciate your business and look forward to helping you grow your business in 2022.

Yours truly,

Eric Ovanessian
