RE: April 1, 2022 price increase

Dear Valued Customer,

Due to continuing increased cost pressure of raw materials, transportation, and other inflationary costs; effective April 1, 2022, a further price increase is necessary on Commercial paper and dispenser products up to 12%. Some select products may increase more than 12%.

All orders received by the close of business on March 31, 2022, calling for immediate shipment will receive current pricing. Orders received after March 31, 2022 will be invoiced at the new levels. Orders that exceed normal monthly volumes will be adjusted.

New into stock prices and any contract adjustments that may be necessary will be distributed to you shortly. We will, of course, honor any contract prices for the duration of the original agreement.

If you have any questions, please contact your Sales Representative.

Thank you for your continued support of Allied West Paper Corporation.

Yours truly,

Eric Ovanessian
COO/President – Commercial Business
