

## PET Price Increase Announcement

September 22, 2025

Dear Valued Customer,

In recent years, domestically produced PET resin has faced challenges from low-priced imports from numerous countries due to overcapacity and questionable trade practices. Additional challenges arose when a sudden change in reciprocal tariff policy on PET & rPET was removed effective earlier this month causing domestic PET resin suppliers to opportunistically raise pricing. Unfortunately, these actions have forced us to announce a price increase on all PET & rPET products of **15%** effective **October 22, 2025**.

Therefore, Anchor Packaging LLC will be announcing the following increase effective with orders placed on or after

**All PET products:**

<b>Safe Pinch™</b>	<b>15%</b>
<b>Gourmet Classics®</b>	<b>15%</b>
<b>Crystal Classics®</b>	<b>15%</b>
<b>Crystal Clear®</b>	<b>15%</b>
<b>Deli View™</b>	<b>15%</b>
<b>BonFaire™</b>	<b>15%</b>

**Anchor reserves the right to restrict orders that exceed normal order patterns.**

**All non-guaranteed contracts, bids and POD's will be increased at the percentages listed above. Additionally, all contracted business will increase per the terms of the agreement in place.**

Orders placed on or before **Tuesday, October 21, 2025** calling for immediate shipment will be billed at current pricing levels. Orders placed on or after **Wednesday, October 22, 2025** will be billed at the higher price.

Thank you for your continued support of our products.

Sincerely,

A handwritten signature in black ink that reads 'Dave E. Johnson'.
