

BOXit Corporation

November 15, 2018

Dear Valued Customer

Effective with shipments on January 15, 2019, Boxit will increase the cost of all products 7.5%. Unprecedented increases in paperboard along with rising labor and freight rates make this increase necessary.

You will receive new price lists by December 15.

We appreciate your business and your continued commitment to Boxit. Our staff looks forward to working with you in 2019.

Sincerely,

Joel Zaas

President
