BROWN PAPER PRODUCTS
An Inteplast Group Company

June 29, 2026

TO OUR VALUED CUSTOMERS AND REPRESENTATIVES

Due to continued increases in costs related to raw material, regulation, and logistics, we will be implementing a 8% price increase on all products effective for orders placed on or after August 15, 2026.

Detailed item-specific pricing will be provided separately; however, please accept this letter as your 45-day advance notice of the increase. New pricing will be calculated using our standard pricing methodology.

All stock orders placed for immediate shipment through August 15, 2026, and within 15% of normal ordering patterns, will be honored at current pricing. Orders requesting delayed shipment beyond the effective date of the increase will not be accepted at current pricing.

Floor Stock Contract items will be included in this increase, except for items that are subject to a previously established pricing review schedule.

Custom make-and-ship items will continue to be evaluated and priced at the time of quotation.

Detailed pricing information will be distributed within the coming weeks. If you have any questions, please contact us at (800) 323-9099 or speak with your Brown representative.

We greatly appreciate your continued business and support and remain committed to providing the quality products and service you expect from Brown.

Sincerely,

Ryan Skeens
