To Our Valued Customers:

Due to increases in wages and raw materials we will be forced to increase our prices on all plain paper bags by 8% as of December 21, 2020. Only 1 stock order of regular volume will be accepted at current prices. All foil lined, printed and custom (stock and custom) orders will increase by 13% effective immediately. Stock orders should be placed 14 days in advance. We are not currently taking any print orders due to the impact of the pandemic on our stock orders. We will notify all customers when our printing resumes.

Please update your records accordingly. Thank you for your understanding. We hope to continue serving you in the future.

Cordially,

Tony Perez
