

## **ANNOUNCEMENT**

June 18<sup>th</sup>, 2021

Attention: Purchasing Dept./Buyer

Please be advised that there will be a price increase of 5% on all our products effective July 15<sup>th</sup>, 2021. This increase will affect **all shipments made on and after the increase date**, no exceptions.

We are committed to continue to offer quality products and services you expect and deserve and are always trying to find ways to minimize the amount and frequency of these price increases. *Unfortunately, this increase is based on high market demand and continued escalating cost increases as well as shortages for raw materials within our industry.*

We greatly appreciate your continued business and support!

Sincerely,  
Daisy Gutierrez  
Office Manager
