

TRADE NOTICE

December 11, 2019

Dear Valued Customer:

Due to increases in raw material costs, escalating transportation costs and negative currency exchange rates Crown Brands LLC is implementing a general price increase effective February 10, 2020.

The new pricing represents a nominal average increase of approximately 4%. Attached are two separate price lists:

Crown Brands smallwares/storage and transportation products
Oneida/MCIC products

Please contact your Crown Brands, LLC sales manager or local representative with any questions. Thank you for your support.

Sincerely,

Bryan O'Rourke
President
