Dear Valued Customer:

Due to significant increases in raw materials and the excessive rise in freight costs, and labor cost, Diamond Straw is announcing a price increase on all products effective July 5th, 2022.

The scheduled increase will be 7%.

Orders received by June 30th, 2022 will be accepted at your current pricing levels provided the order quantity is not more than two weeks of your historical usage. Orders must be placed for immediate shipment and we will fill orders to the best of our ability.

In an effort to improve our service, Diamond Straw had brought in three new straw machines.

As always, we appreciate your business and continued support.

Sincerely,

Ross Boyajian
