RE: Price Increase Announcement

To Our Valued Customers:

Due to a continued increase in raw material and other manufacturing costs, D&W Fine Pack is announcing an eight percent (8%) price increase on all Polypropylene products, effective with all orders shipping on or after October 1, 2020.

D&W reserves the right to restrict any orders placed or scheduled for delivery prior to October 1, 2020 which exceed normal ordering patterns or previously submitted forecasts.

We appreciate your business during these unprecedented times. An updated price list will be sent to you shortly. Should you have any questions, please contact your D&W Fine Pack sales representative.

Sincerely,
