Dear Valued Customer,

Due to continued increases in freight and other transportation costs, D&W Fine Pack is announcing a five percent (5%) price increase for all delivered pricing across all products, effective with all orders shipping on or after January 1, 2021.

D&W reserves the right to restrict any orders placed or scheduled for delivery prior to January 1, 2021 which exceed normal ordering patterns or previously submitted forecasts.

We continue to explore alternatives to standard freight to minimize the impact of these cost increases to your business. We appreciate your business during these unprecedented times. An updated price list will be sent to you shortly. Should you have any questions, please contact your D&W Fine Pack sales representative.

Sincerely,

A handwritten signature in black ink, appearing to read 'M. Grant', is written above the printed name.
