Dear Valued Dart Customer:

Due to increases in raw material and other manufacturing costs on EPS/PS product lines, and escalating costs due to sustained changes in PP/PET product mix and the impacts those have had on our cost to service, we are implementing a price increase to our U.S. Foodservice, National Account and Warehouse Club customers. **The effective date of increased pricing is June 1, 2021.**

Product Line	Increase Amount
Unprinted, custom & stock printed EPS, & Fusion cups & associated EPS/Fusion lids	8%
Foam Hinged Trays, Foam Dinnerware & covers, and SafeSeal Containers, Bowls & Snack Cups	10%
PP & PET cups and associated plastic & paper cold cup lids	6%
PP & PET items within the ClearSeal, Creative Carryouts, Cutlery, Portion Containers & Lids, PresentaBowls & Lids, Sauces & Sides Lids, and StayLock Hinged Trays product lines	6%
ProPlanet MFPP Hinged Trays	6%
All PS cups and PS lids, including PS lids for EPS, Fusion, and Paper (except PS lids for Trophy and DuoShield-specific lids TLP20-0007 & TLB20-0001), and PS food packaging product lines except for Plastic Dessert Containers, VS Paper Food Container Lids, ClearPac Black Containers, and Expressions	8%

Your specific post-increase prices will be sent to you shortly.

This price increase applies to all orders placed on or after June 1, 2021. Buy-ins cannot be accommodated and all orders at the pre-increase pricing must be for immediate shipment. Contract prices on Dart Competitive Price Agreements (CPAs), where not guaranteed firm for a specific period, will increase on June 1.

Please contact your Dart Sales Representative with any questions.

Thank you for adjusting your records and for your continued support.
