Dear Valued Dart Customer,

Due to rising raw material, transportation, and other manufacturing costs, we are implementing a price increase **effective May 15, 2026**, on the following foodservice-packaged product categories.

<b>Product Category</b>	<b>Percentage Increase</b>
All Products made of Polystyrene (PS) (excluding EPS Foam Cups & Lids for Foam)	8%
All Products made of Polypropylene (PP/MFPP)	8%
All Products made of Polyethylene Terephthalate (PET/rPET)	12%

**Please refer to the attached price list for all affected products.**

Price increases apply to all orders placed on or after May 15, 2026. Orders placed before this date will retain current pricing when called for immediate shipment. All contract prices not guaranteed for a specified period are affected.

Please contact your Dart Sales Representative if you have questions. Thank you for adjusting your records and for your continued support.
