To All Diamond/Starco/ Luseaux Customers

Effective Dec 1, 2021 we will institute a 7% price increase for all Diamond/ Starco /Luseaux Chemicals placed on or shipped from that date forward. We find this necessary due to the rising cost of raw materials, plastic pails, resin, pallets and labor. Freight will continue to be monitored regionally, assessed and billed accordingly. We value your business greatly and are trying our best to keep these increases to a minimum.
