

January 24, 2022

To our valued partners,

Please accept this letter as notification for a price adjustment to offset escalating costs of shipping, corrugate and freight **effective March 1, 2022**.

- +20% on all Dome Lids and PET products.
- +12% on all other items.

This decision does not come without careful consideration. To our loyal customer base, we thank you in advance for your continued support.

- All orders placed by end of business on February 28, 2022 calling for immediate shipment will be billed at the current pricing.
- All orders outside regular order patterns are subject to review.
- Due to the extraordinary volatile overseas and domestic shipping costs, we will also need to adjust all contract (POD) pricing effective March 1, 2022.

Please contact your EMI Yoshi Sales Representative if you have any questions.

Thank you for your continued support.

Sincerely,

EMI Yoshi, Inc.
