Subject: Price Increase – **Foil Market Increase**

Dear Frosty Acres Brands:

Pursuant to our conversation of higher raw material costs and tariffs, Western Plastics finds it necessary to implement the following price increases:

Aluminum Foil Rolls, Pop-up and Cushion Foil Sheets	12%
Aluminum Foil Containers and Lids	12%

Normal order requirements received on or before **Friday, March 28, 2025** calling for immediate shipment will be filled at current pricing.

All orders received on or after **Tuesday, April 1, 2025** will be confirmed and invoiced at the increased price.

Additionally, all bids and pricing deviations with no order activity in the last 60 days will be expired effective immediately. Due to supply constraints for aluminum, Western Plastics will be limiting any 'buy-in' or 'loading' orders. Increased lead times are also possible during this time.

Thank you for your continued support of Western Plastics.

Sincerely,
