

Farinella Cheese

Specializing in Italian Cheeses

June 18, 2021

Dear Valued Customer:

Please be advised that Farinella Cheese will increase the price of all Shredded, Grated, Shaved and Diced Cheeses **by \$0.03 per Lb. effective July 12, 2021.**

All Cheese Wheel and Block prices will increase **by \$0.10 per Lb. effective July 12, 2021.**

This increase is necessary due to our increasing costs across the board for boxes, packaging materials, printed labels, and increasing freight and fuel surcharge costs. Be assured we have enacted the smallest increase possible to ensure the quality of all our products.

All orders picked-up, shipped, or delivered on or after July 12, 2021, will be covered by this price notification.

Farinella Cheese appreciates your continued business patronage as we go through this period of change and growth. If you have any questions or concerns, please feel free to contact Joe Farinella at (714) 746- 9559, or joe@farinellacheese.com, and he will be very happy to discuss this situation with you.

Best regards,

Farinella Cheese Team
