Re: Notice of Price Increase – Effective October 15, 2020

Dear Valued Customer,

We need to make you aware that effective October 15<sup>th</sup>; the price for all soups will be increased by 5%. This increase is directly due to external suppliers and service costs that continue to steadily increase, making a price adjustment essential at this time. Please know this decision did not come easily. We apologize for any inconvenience.

Sincerely,  
*Allison Walker*
