Dear Valued Customers,

We at IMEX Vision sincerely appreciate all our customers and value your importance to our business.

Due to the continued escalation of raw materials, manufacturing, and freight, we are announcing an 8% increase on all products. We have attempted to minimize these impacts to our customers by absorbing many of these expenses and still provide our high-quality products and service. We are now unable to honor our current prices and must announce this price increase.

This increase will take effect on all orders shipped on or after November 1<sup>st</sup>, 2021. All purchase orders placed will need to reflect pricing effective as of the shipment date.

IMEX looks forward to continuing our exceptional service to you and as always, we appreciate your business and support.

With regards,

Nati Benezri
