Subject: Kraft Heinz Away From Home New Price List on September 27, 2021

Dear partners,

The foodservice industry has continued to face inflationary headwinds and is experiencing significant pressure across all cost components. Kraft Heinz is working to simplify its business processes to mitigate cost increases.

However, due to the amount of inflation the industry has encountered, Kraft Heinz will be changing its price list on select product categories. This new price list will not only offset a portion of the inflation pressure, but also create additional value for all our partners and entities of the supply chain.

Kraft Heinz new price list will affect the following categories:

% Price Change Effective Sept 27, 2021		
Categories	Delivered	FOB
Tomato Products	8.5%	5.5%
Mayonnaise & White Goods	16.5%	
Salad Dressings	4.0%	

The table attached, Appendix A, details the new pricing on these product categories by SKU.

New pricing will be effective September 27, 2021.

All pricing rules are applied based on the customer's purchase order date (PO Date).

Product ordered with a purchase order date (PO date), on or after the announcement date (July 26, 2021) but prior to the effective date (September 27, 2021) will be priced at the old price. During this period, Kraft Heinz will only accept orders with up to a 30-day lead time and that do not exceed traditional purchase patterns. Product ordered with a purchase order date (PO date) on or after the effective date (September 27, 2021) will be priced at the new price.

Contact your Sales Representative with any questions pertaining to the implementation of this price list.

Best Regards,

Julien Rouanet
Head of Field, Distribution, & Emerging Channels
