Dear Kari-Out Customers

Kari-Out continues to strive in meeting our customers' expectations and to be the supplier of choice by offering competitive pricing in the market.

Due to the continued rising increase costs of raw materials, price pressure with freight, labor, energy, corrugated and other related costs, effective April 26, 2021, Kari-Out will be passing along a price increase on the following categories:

- **Aluminum Foil Containers** **10%**
- **Aluminum Foil Rolls & Pop Up Sheets** **10%**
- **Aluminum Foil Container Combo Packs** **10%**
- **Foil Laminated Board Lids** **10%**
- **OPS Dome Lids** **10%**
- **Foil Laminated Bags** **10%**

All orders placed on or after April 26, 2021 will be invoiced at the new prices. All orders placed before April 26, 2021 calling for immediate shipment will be honored at the pre increase prices. All contracted pricing with scheduled price reviews will be increased at the time of review, per the terms of the agreement. Kari-Out reserves the right to limit quantities to no more than your "average" monthly usage.

We would not bring such a price increase to you unless it was necessary. As always, we greatly appreciate your valued business and support.

Thank you for your understanding and continued support.

Sincerely,

Scott Rabidou
