Dear Kari-Out & SQP Customers,

Kari-Out continues to thrive in meeting our customers' expectations and to be the supplier of choice by offering competitive pricing in the market.

At times due to increased cost of raw materials, labor & freight, Kari-Out & SQP will be forced to pass these increases on to our customers.

Effective January 1, 2021 we will be implementing a price increase on the below items. Below is the increase percent:

Kraft & White Handle Shopping Bags	8%
------------------------------------	----

This increase will take effect with all orders placed on or after January 1, 2021. All orders placed prior to January 1, 2021 will need to be shipped out immediately. Kari-Out reserves the right to limit quantities to no more than your "average" monthly usage.

Should you have any questions please contact your Sales or Customer Service Representative.

Sincerely,

Ted Rabidou  
National Sales Manager
