To Our Valued Customer,

LaMonica Fine Foods has experienced many challenges since the Covid-19 pandemic. One of the greatest challenges has been getting employees to work and attract new talent. Producing our product is very labor intensive, and due to labor challenges associated with Covid-19. Now on top of this issue, fuel, packaging and freight costs have increased significantly.

As a result, we must increase prices on Canned Sea Clams, Canned Ocean Clams, Fresh & Frozen Clams, Frozen Breaded Clam Strips and all of our retail items to continue maintaining the highest quality product.

The new pricing will be effective on all orders on or after July 25, 2021.

We appreciate your understanding, value your business and remain committed to providing you with quality products at competitive prices.

Sincerely,

Michael A. LaVecchia
Vice President of Operations
