To Our Valued Customers,

Due to sustained increases of doing business, we are increasing prices by 10% on all orders placed on or after September 28th, 2020. The increase applies on all product groups with the exception of the Max Stax Dispenser cutlery which will be subject to only a 8% increase.

Orders placed prior to the date of the increase will be reviewed and limited to normal purchased quantities and lead times.

National accounts, regional accounts, bids and POD contracts will be reviewed on a case by case basis.

Max Packaging will confirm all distributors pricing, via our brokers and Max Packaging representatives, as soon as possible.

We understand these are trying times for all, and we value both our relationship and your support.
