Price Increase Notification, Effective July 15, 2025

Valued Customers and Stakeholders,

Due to increased input costs and increased demand, NCCO is implementing a 10% price increase on all products effective for all orders received on or after July 15, 2025. As a courtesy, a customized price list will be provided at least 30 days in advance for customers with existing pricing and program agreements. This is the first price increase by NCCO in over three years.

NCCO remains committed to providing an exceptional level of quality, innovation, product support, and market leading fill rates.

Feel free to contact us or your NCCO representative if you have questions. We thank you for your support.

Sincerely,

A handwritten signature in black ink that reads "John N. Rodriguez".

John N. Rodriguez
NCCO President, COO
