Oak Street truly appreciates your business and would like to sincerely thank you for making 2018 a successful year. Oak Street is continuing to see significant increases in input costs. As a result, we are forced to institute a modest price increase. Effective March 11, 2019 we will institute a 5% price increase.

For your convenience, AutoQuotes has been notified of the impending increases. Additionally, updated product offerings and pricing for dealers are available in the March 2019 product guide coming soon. If you have any questions or concerns, please feel free to contact the Oak Street sales team.

We look forward to the continued opportunity to work with you in 2019.

Sincerely,

The Staff of Oak Street Manufacturing
