

## PACIFIC COAST SUPPLIES

Bond Paper • Thermal Paper • Ink Ribbon • Laser Toner

---

Dear Valued Pacific Coast Supplies Customer,

Pacific Coast Supplies will be implementing a 10% price increase on all products. This increase will go into effect on May 30th.

Despite continuous cost reduction efforts, this is a result of significant increases in transportation, manufacturing and raw material costs.

Please contact your sales representative with any questions, or comments you may have.

Thank you for your ongoing business. We highly value the relationship we have built together. We're looking forward to servicing all your business needs moving forward!

Sincerely,  
Mike Ajouz, President
