

December 1<sup>st</sup>, 2021

Dear Valued Distributor:

Effective Monday, January 3<sup>rd</sup>, 2022, Royalty Distribution will implement an increase up to 10% with select items increasing up to 20%. The increase is due to the escalation of raw materials, packaging, freight, and other miscellaneous costs.

Orders placed by January 3<sup>rd</sup> will be invoiced at current prices and need to deliver by January 14<sup>th</sup>. Orders placed on or after January 3<sup>rd</sup>, 2022, will be invoiced at new prices.

Orders placed before January 3<sup>rd</sup>, 2022, will be limited to a one-month supply based on previous 3-month average purchase history. The updated price list will be emailed and mailed out to allow time for you to update your systems and communicate with your customers.

We will continue to focus on maximizing our productivity and reducing our cost, while providing quality products and superior service.

Again, we appreciate your continued business, your partnership, and your support in these volatile times. If you have any questions, please reach out to Arman Shatrang or Jeff Leong.

We look forward to continuing our mutually profitable long-term partnership.

Cordially yours,

Jonathan Noori
