Dear Valued Customer:

At SC Johnson Professional we are committed to providing high quality products that our customers can trust, to create safe, healthy, and sustainable environments away from home.

It is well documented that over the last several years, the global supply chain and broader market has endured significant volatility in supply and price. While some supply chain inputs have stabilized or can be offset long term, many remain highly elevated. As a result, SC Johnson Professional has made the difficult decision to take price actions on select SKUs within our portfolio.

Effective with orders placed on or after January 1, 2024, select SKUs within the following brand families will be impacted.

Skincare:

- Kresto®: 7.7%
- Solopol® & Solopol® GFX™: 4.1%
- Refresh™ Antibacterial Soap & Hair/Body: 2.3%
- AgroBac™ Antibacterial Soap: 2.1%
- Stokolan® & Stokoderm® Creams: 8.6%

SC Johnson Iconic Brands:

- Pledge®: 5.1%
- Scrubbing Bubbles®: 12.7%
- Windex®: 8.6%
- Drano®: 9%

An updated price list with individual item detail is now available and your SC Johnson Professional Sales Representative can provide further information on specific impacted SKUs, as needed.

On behalf of the entire SC Johnson Professional team, thank you for your continued support and partnership.

Sincerely

Bryant Davis
