Dear Valued Customer:

Due to an increase in various costs (labor, material and fuel etc.), it will be necessary to increase pricing by 7% for all products.

The price increase will become effective as of November 2, 2020. Orders received on or before October 30, 2020 will be invoiced at the **current price. Orders received on or after November 2, 2020 will be invoiced at **increased prices**.**

Order limits will be based on usual buying patterns. All orders must be picked up or shipped by October 30, 2020 in order to qualify for current pricing.

As always, we appreciate your continued support.
