To All Diamond/Starco/ Luseaux Customers

Effective September 14, 2021 we will institute a 7% price increase for all Diamond/Starco/Luseaux Chemicals placed on or shipped from that date forward. We find this necessary due to the ever increasing cost of resin, corrugated boxes, raw materials and freight. We value your business greatly and are trying our best to keep these increases to a minimum. We will evaluate our pricing again toward the end of this year.
