RE: Price Increase Announcement

To Our Valued Customers

Due to escalating raw material, logistics and other business costs, TTM is announcing a 8% price increase on all products sold in the United States, Mexico and Canada. We have done our best to maintain and stabilize costing , and we take any price increase seriously. We will make sure we continue to offer you outstanding customer service, along with the best design and innovation in the business.

This increase will take effect on all orders received on or after October 1, 2020.

In the next week, our office will send you a detailed listing of the products you currently order, with the new costing for your records.

Everyone at TTM appreciates you ongoing support for allowing us to service your packaging needs. Thank you for your business.

Sincerely,

Paul W. Smith
President
