Re: Third Price Increase in 2021

To Our Valued Customers:

Due to the continuous price increase of raw material, unprecedented high cost of Ocean Freight and local freight, we are forced to increase the price of all paper, bagasse products, dispensers, and all related products up to 10%. The effective date of the price increase will be on October 15, 2021.

All orders received prior to October 15, 2021 will be at the old prices. There will be average monthly ordered quantity at the old prices. All orders at old prices must be shipped by October 15, 2021.

All orders received on or after October 15, 2021 will be at the new prices.

Thank you for your continued support of Teh Tung Corp.

Sincerely,

Marketing Department
