To: Thunder Group's Valued Customer,

Subject: Notice of Fuel Surcharge Adjustment

Dear Valued Customer,

Due to continued increases in fuel and transportation costs, we will be implementing a temporary fuel surcharge effective July 1, 2026.

This surcharge helps offset rising delivery and operating expenses while allowing us to continue providing reliable service and maintaining delivery schedules.

Fuel Surcharge Details

- Effective Date: July 1, 2026
- Surcharge Rate: 1.5% per Delivery/Invoice
- Excluded: Will call order, and non-prepaid order.

We remain committed to keeping pricing as stable as possible and will continue to monitor fuel market conditions closely. If fuel costs decrease significantly, we will reevaluate the surcharge accordingly.

We appreciate your understanding and continued business. If you have any questions, please contact us on 626-935-1605. Thank you.

Sincerely,

Chung Wang
