

Dear Valued Customer,

Thank you for your continuous business and loyalty to Tuxton over the years, it is a great pleasure to serve your dinnerware needs.

Effective **July 1, 2019** Tuxton will be implementing a price change. There will be a general increase of approximately **5%**.

We are confident, nonetheless, that you will find the quality of our products and service even in light of these new prices to be competitive and consistent with industry standards since our last price change in 2017.

We work diligently to provide the highest quality products at the highest value possible by continuously improving our manufacturing processes and products.

Increasing our product line with new patterns, colors and on trend products is important to our growth as a company and as a continued benefit to you and your customers.

Please make sure to notify all staff in your company who are involved in purchasing Tuxton products of this upcoming price change. We wish to thank everyone for their valued support as we strive to provide our customers with the finest in quality products and services.
