

June 15, 2022

At Unilever Food Solutions, we are dedicated to delivering the highest quality products and services. We appreciate your partnership and are excited about our joint opportunities to continue growing together.

Due to the continued sharp rise in market commodity prices affecting our ingredient costs, coupled with the rising costs of packaging, transportation, distribution, and labor, this letter is to inform you that multiple product lines under the Hellmann's, Best Foods, Sir Kensington's, Maille, Knorr Professional, LeGout and Lipton Cup-A-Soup brands will increase list prices effective August 15, 2022, based upon Unilever ship date. Please refer to the attached for product and new pricing information.

We appreciate your business and thank you for your continued partnership.

Sincerely,
