

Dear Valued Customer,

At Unilever Food Solutions, we are dedicated to delivering the highest quality products and services. We appreciate your partnership and are excited about our joint opportunities to continue growing together.

Due to the continued sharp rise in market commodity prices affecting our ingredient costs, coupled with the rising costs of packaging, transportation, distribution and labor, this letter is to inform you that multiple product lines under the Hellmann's, Best Foods, Sir Kensington's, Knorr Professional, and LeGout brands will increase list prices effective February 15, 2022 based upon Unilever ship date. Please refer to the attached for product and new pricing information.

Dependent upon inventory availability, Unilever Food Solutions will support up to 25% more than your average monthly orders in January 2022. For any questions or concerns, you can contact Cris Sales directly.

We appreciate your business and thank you for your continued partnership.

Sincerely,
