Dear Valued Customer:

Current market conditions necessitate that we announce a price increase of \$50 per short ton on all linerboard products, including our full portfolio of EnduraLiner™ grades as well as our DiamondTop™, DiamondTop™ 1C and DiamondTop™ Solid products. We will also be increasing by \$70 per short ton our EnduraFlute™ corrugating medium grades. All changes will be effective with orders accepted for production with delivery on or after July 15, 2021. This price increase applies to all orders accepted for North American customers in U.S.A., Canada, and Mexico.

WestRock is fully committed to being the premier supplier of containerboard solutions to the North American market. We appreciate your business and want to assure you that we value our relationship and your past support. We remain dedicated to supplying you with the highest levels of quality, service, and technical support in the containerboard industry.

Please contact me with any questions or concerns.

Best regards,
